In accordance with our telephone conversation, there is attached the file pertaining to a billing submitted by the Property Accounting Officer of the [Redacted] in the amount of \$253.89 covering cost of training special personnel of this Agency.

25X1

It appears that the individuals concerned are being paid through the facilities of the Special Funds office. In this connection it is desired to direct attention to the routine channelization which has been applied in this case and to the absence of any classification of pertinent documents. It is suggested that the liaison official who made the original arrangements take adequate steps to insure additional measures of security where applicable.
